All owners should play with their dogs regularly and provide them with pet toys to play with.

Every dog should have their own bed where they can go to sleep.

Every dog should wear a collar and a name tag with their owner's contact details on it, in case they get lost.

Dogs need at least two walks every day; one in the morning and one in the evening.

Dogs should be fed at least once a day and they should always have access to fresh water to drink.
